Whatcom Cremation & Funeral - *One Page Personal Choices Form*

We don't need paperwork or payment in advance to take someone into our care, but we do suggest it. The **Personal Choices** form describes someones essential wishes and contacts. The **Vital Statistics Worksheet** is used to complete a death certificate. Cremations need a **Cremation Authorization**. Call 360-734-7073 with questions or to discuss your situation. It is okay to leave an item blank or mark it as undecided. If you need more space, attach a second sheet of your own. You may deliver information to us as follows:
